We are pleased to offer this AMAZING DETACHED VILLA which has two levels and an internal build size of 320 m2 and sits on a large plot of 1,100 m2. The villa and land are in Montepinar, Nr Orihuela and offer excellent value for money. Upon arrival at the villa you will notice that the property is completely gated, with an entrance and gate to your left for your car, giving the future owner a secure property. Walking towards the front of the property there are a few steps that take you to the main entrance, as you enter the property you will be left breathless as it has a double height ceiling, a spiral staircase to the right that wraps around and will take you to a floating landing above you. As you walk through the stunning monochrome tiled living room, you have a central gas fireplace that provides a main focal point. To your right you have a dining area, followed by a downstairs bathroom which is always useful, then you have a lounge area sur...
