A unique opportunity: Great 3 bedroom frontline apartment with direct sea access in Santa Ponsa. A very small, private complex with only 9 apartments, parking space and storage room. 3 large, bright bedrooms with high ceilings, 2 bathrooms and wonderful sea views directly from the living room and the large terrace. The terrace can also be used in winter as it is completely glazed. In summer you can push the windows completely to the side and enjoy the pleasant breeze from the sea. The apartment can be reached by 5 steps, but it is not a ground floor apartment. Super location and within walking distance you can reach the center of Santa Ponsa and the main beach in a few minutes. In a few minutes you can also reach the motorway connection and reach Palma in 15-20 min. In the immediate vicinity are all amenities, golf courses, sports facilities as well as the very charming port "Club Nautico" of Santa Ponsa.
