High-class designer villa close to Port Adriano. An incredible mixture of design, style, quality and function. Only the very best materials and construction has been used in this like-new, fantastic house. Set over two levels the property offers a large-scale residential area with 5 sleeping rooms (4 en suite). The house is oriented to the south and enjoys a magnificent ocean view. In the basement there is a large garage (space for 5 cars) as well as additional rooms, which are suitable for a home theater or for a perfect party. All three floors are accessible via both stairs and a spacious elevator. In the tropical garden area, you can enjoy a beautifully designed and heated outdoor pool, a fitness area with sauna & extra shower, as well as an exclusive covered summer kitchen. Throughout this prestigious villa the constructor has used intelligent and high-quality methods and materials (such as full use of solar energy, especially very large i...
