El Mojón is a city located by the sea. Their houses belong on the one hand to the province of Alicante and on the other hand to that of Murcia, hence the name. The nature of El Mojón is connected to the coastline, the beach has a length of 465 meters and a width of 50 meters. One part has an adjacent walkway, the other is on the edge of the park Las Salinas and Arenales de San Pedro del Pinatar and is accessible by wooden paths. After a small dividing channel, the demolished Torre beach is part of that park. On the other hand, it borders the beaches of Las Higuericas that belong to Torre de la Horadada. The REGIONAL park of Las Salinas and Arenales del San Pedro del Pinatar is a wetland with an area of 856 hectares, the salt flats, beaches and dunes combine around the Mar Menor. The salt flats themselves make up most of the park, divided into pools separated by stone or stone walls. There is an area with private property and limi...
