Ciudad Quesada is located on a natural slope and is built around a golf course. There is a beautiful view towards the South of the Mediterranean Sea and the natural park of the salt mines of Torrevieja. This region is influenced by the salt mines and the Mediterranean and therefore enjoys a very healthy climate, with an average annual temperature of 20 degrees. An ideal climate to enjoy a holiday at any time of the year. Just 4 km from the Mediterranean you will find here varied beaches, some wild with palm trees and other long beaches with golden sand. Ciudad Quesada was born from a dream, which has now become a reality and is today a recognized urbanization, with various houses in elegant style, mainly apartments and luxury villas. The quality of its services is also very high and you can enjoy international gastronomy. This holiday town is built around an 18-hole golf course "La Marquesa". This golf course is very well cared for and ...
