This property offers an incredible business opportunity to be run as a B and B or as a walking/cycling holiday venture. It would also make a fantastic large family home with the facilities of Orba including a school, health centre, restaurants, shops and bars right on the doorstep. The villa has been well maintained with tiled floors throughout and oil fired central heating. On the first floor is a large entrance hall with a staircase leading to the lower level. There is a large open plan lounge/dining area and a fully equipped kitchen with Granite worktops and a central island, a great entertaining space. There is a large terrace with impressive mountain views providing a great place to dine or relax. This floor has a separate bathroom, double bedroom (currently used as an office) and a large master master bedroom en-suite with bath. The floor below has a total of 5 double bedrooms all with their own beautifully appointed en-suite shower rooms. T...
