This amazing pearl is the ideal refuge for those seeking tranquility. Surrounded by acres of olive and almond trees is the Finca called Los Sibileys. This building dates from about 1822 and is therefore 200 years old. In 2005 the owners completely renovated it and it is in perfect condition to this day. The price also includes a hotel license, which is still very difficult to obtain these days. It has thus served as a hotel for motorcyclists, mountain bikers and hikers since 2005. The kitchen is equipped with the best equipment, because the owners are both chefs. All rooms (6) have an en-suite bathroom. There is also one complete apartment, which brings the total number of rooms to 7. All the furniture remains, except for the personal items. And the pool was completely renovated on 03/08/22. Feel free to contact us for more information or a viewing!
