The homes are set around a spectacular central park, exclusively for owners*. It has more than 120,000 m² of expertly landscaped areas, with several sports and leisure areas designed for the whole family. There are around 4,000 trees, mainly indigenous Mediterranean species, irrigated by a high-tech water collection system that makes this a sustainable place to live. Its 700,000-square-metre site is protected by perimeter fencing. Around-the-clock access control and security services keep everything safe. Because security equals peace of mind, whether you're at home or away. In the heart of Santa Rosalía, there is a wonderful garden with spots to enjoy nature, sport and leisure, where the beautiful lake is always a welcome presence. La jewel of La Reserva, an ideal spot to rest on its sandy beaches and relax in the sun. Sparkling waters entice you in for a cooling dip or some water sports. Come and spend evenings...
