New Nerva promotion, an exclusive promotion with unbeatable qualities in Denia. This project has homes of 2, 3 and 4 bedrooms. All types have a terrace, garage and storage room. In addition, in terms of common areas Nerva offers the most complete facilities: swimming pool, social premises and equipped gym are just some of the advantages of this promotion. Everything, a step away from the sea and overlooking Denia and the wonderful Montgó massif. Nerva will make them feel proud of their new home even before they enter it. To enjoy maximum security, the development is configured as a gated community with concierge post at the entrance. The community spaces will be taken care of to the maximum. The floors of the exterior common areas will be finished in noble materials adapted to the environment and the enclosures of the private plots will have a design fully integrated with the aesthetics of their facades. The technology will also ...
