A very spacious townhouse for sale in the heart of Calvia Village. This beautiful property was completed at the end of 2022 so a fantastic opportunity to move into a brand new property offering beautiful countryside views. This property benefits from three bedrooms (one of which is on the ground floor), plenty of outside space, a private parking space and air-conditioning throughout. This property is part of a community of only 8 neighbours however this will be extended to a total of 12 houses and best of all a community pool will also be added. The location really is idyllic, as you are a very short walk away from absolutely everything such as shops, cafes, restaurants, banks etc.. Palma is literally a 25 minute drive away and Palmanova beach is only a 15 minute drive away. You literally have the benefits of being in the countryside but only being a quick drive away from the beach and city.
